3 TABLE

c	java	html
cpp	kotlin	css
python	android	php

4 MATH EQUATION

The famous equation proved by Anishtine is the below equation:

$$E = mc^2$$

5 CODE

```
def MergeSort(low, high, lst):
    lst=lst[0:high]
    if low<high :
        m=(low+high)//3
        n=2*((low+high)//3)
        MergeSort(low,m)
        MergeSort(m+1,n)
        MergeSort(n+1,high)
        merge(m,n,low,high)
    return lst
```
